

DINGHY LOCKER RULES

I understand that the following rules apply to the storage of my dinghy in the Rocky Bay Memorial Cruising Club (Inc) (hereinafter called 'the Club') premises.

1. My dinghy is stored at my own risk and expense, and the Club is in no way responsible, or liable for any damage whatsoever that may be caused to my property while stored at the Club premises.
2. I agree that all fees payable to the Club, in particular membership fees, and locker storage fees are to be paid on time, and as directed by the Club committee.
3. That if any fees are not paid within 6 weeks of them becoming due, my dinghy may be removed from the Club premises and placed on the public beach area, at my expense.
4. That I will not store any inflammable material with my dinghy, or in the Club premises.
5. That I will not pass on the code number for access to the club shed without the prior approval of an executive officer of the club.
6. That the access key will be returned to the key security lock up box.
7. That any damage that may be caused through me providing unauthorised access is my responsibility.
8. The club facility is to be used only for storage of dinghies.
9. That the Dinghy Locker space allocated to me is not transferable to any other person without the prior permission of the Club committee.
