WAIHEKE ISLAND

Dear.....

This is to confirm your haul out booking and to enclose our standard agreement which I would advise you to read carefully.

You will need to pay our fee as soon as possible, but at least one week before the time your boat is to be hauled. This will avoid confusion and double booking.

You will note that it is our policy to require you to pay in advance and to leave the area in a tidy and satisfactory condition. This means we would like sand and shells removed before hauling and launching and ask you not to drop paint in any part of the area.

It is recommended and advisable for you to help with the cradle preparation usually the day before the haul out. One days cost for set up will be added to your haul costs.

If you wish to contact me regarding any of this please phone me at 027 450 5505.
